

AMA Contest Director/AMA Chartered Club Officer Statement Of Good Character for a  
AMA Accepted Designated CDs for Turbine Waiver Sign Off list applicant

I here by state that:

I have known \_\_\_\_\_ AMA# \_\_\_\_\_ for a period of time exceeding one year, and that during that time I have witnessed her/him operate a turbine powered model in a safe manner, and that her/his approach to R/C modeling is in general safe and consistent with the AMA regulations. And further, I believe that this individual is positive with, and courteous to, other AMA members, and would provide a fair and impartial evaluation of AMA members applying for a turbine waiver.

I am an AMA member and a Contest Director involved in R/C events, or an officer of an AMA chartered club involved in R/C activity.
